INDEPENDENT AUDITORS' REPORT

To the Honorable Mayor and Members of the City Council
City of Banning, California

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of City of Banning, California, (the City) as of and for the year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Banning, California, as of June 30, 2013, and, the respective changes in financial position and, where applicable, cash flows thereof and the respective

To the Honorable Mayor and Members of the City Council
City of Banning, California

budgetary comparison for the General Fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The introductory section, combining and individual nonmajor fund financial statements, budgetary schedules, and statistical section are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual nonmajor fund financial statements and budgetary schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements and budgetary schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Change in Accounting Principle

As discussed in Note 1 to the financial statements, in 2013 the City adopted new accounting guidance, GASB Statement No. 65, *Items Previously Reported as Assets and Liabilities*. Our opinion is not modified with respect to this matter.

To the Honorable Mayor and Members of the City Council
City of Banning, California

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 11, 2014, on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering City's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

The management of the City of Banning (City) presents this narrative overview and analysis of the financial activities of the City for fiscal year ended June 30, 2013 (FY13). This discussion is intended to provide an introduction to the City's basic financial statements, as well as a financial comparison with the fiscal year ended June 30, 2012 (FY12). The City encourages readers to consider the information presented within this discussion and analysis in conjunction with the City's financial statements. For the purpose of this analysis, calculations are rounded and approximate.

OVERVIEW OF THE FINANCIAL STATEMENTS

This annual report consists of three parts –

- ❖ Management's Discussion and Analysis (this section),
- ❖ The Basic Financial Statements,
- ❖ The Combining Statements for Non-Major Governmental Funds, Non-Major Enterprise Funds, and Internal Service Funds.

The Basic Financial Statements include two kinds of statements that present different views of the City.

- **Government-Wide Financial Statements** provide both long-term and short-term information about the City's overall financial status in a manner similar to a private-sector business. These statements are further discussed in Section I of this discussion and analysis.
- **Fund Financial Statements** focus on individual parts of the city government and report the City's operations in a more detailed format than the Government-Wide statements. These statements are further discussed in Section II of this discussion and analysis.

This section of the report ties in most closely to the financial information relied upon for managing the budget and the day to day operations of the City

The Fund Financial Statements are divided into three categories:

- Governmental fund statements tell how general government services such as police, fire, public works and special revenue funds were financed in the short-term as well as what remains for future spending. The General Fund is reported as a major fund in this section, which also includes the General Fund "Budgetary Comparison Statement".

Additional analysis is provided for the General Fund in Section III of this discussion and analysis.

- Proprietary fund statements offer short-term and long-term financial information about the activities the City operates like a business, such as: water, wastewater and electric utility services, airport, and transit.
- Fiduciary fund statements provide information about the financial relationships in which the City acts solely as a trustee or agent for the benefit of other governmental units, private organizations, or individuals to whom the resources belong.
- The Notes to the Financial Statements provide additional information that is essential to the full understanding of the data provided in the Government-Wide and Fund Financial Statements.

The Combining Statements provide details about Non-Major Governmental Funds, Non-Major Enterprise Funds, and Internal Service Funds. Within the section for Non-Major Governmental Funds, budgetary comparison schedules are provided for each governmental fund.

I. GOVERNMENT-WIDE FINANCIAL STATEMENTS

REPORTING THE CITY AS A WHOLE

The Government-Wide Financial Statements provide information about the City's overall financial picture from the perspective of all the City's governmental and business-type funds combined together. This form of financial reporting is intended to provide a perspective similar to that found in the private sector with its basis in full accrual accounting and elimination or reclassification of internal activities.

- The **Statement of Net Position** presents information on all of the City's assets and liabilities, with the difference between the two reported as Net Position. This is one way to measure the City's financial health, or financial position. Over time, increases or decreases in the City's Net Position may serve as an indicator of whether or not its financial health is improving or deteriorating.
- The **Statement of Activities** presents information on how the City's Net Position changed during the fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods; (e.g., uncollected taxes or earned but unused vacation leaves, such as compensated absences).

In the Statement of Net Position and the Statement of Activities, the City activities are separated as follows:

- **Governmental Activities** – Most of the City's basic services are reported in this category, including the general administration (city manager, city clerk, finance, etc.), police and fire protection, public works, community development, parks and recreation, and interest on long-term debt. Property taxes, sales tax, transient occupancy tax, user fees, interest

income, franchise fees, state and federal grants, contributions from other agencies, and other revenues fund these activities.

- **Business-Type Activities** – The City charges customers a fee to cover all or most of the cost associated with providing certain services. The City's municipal airport, transit, refuse, electric, water, and wastewater operations are reported in this category.

The Government-Wide Financial Statements include not only the City, but also the Banning Financing Authority, Banning Public Facilities Corporation, and the Banning Utility Authority. These component units, while legally separate from the City, provide services entirely or almost exclusively for the benefit of the City. Therefore, these component units are blended with the City government because of their governance and their financial relationships with the City.

THE CITY AS A WHOLE – FINANCIAL HIGHLIGHTS

This section provides discussion and analysis on the Government Wide Financial Statements. This section of the report provides a summarized analysis of the financial condition of the City, which is different from the fund level budgeting and reporting methods used in the day to day operations.

Table 1 summarizes the Statement of Net Position and provides a comparison with FY12. The focus of the analysis relates to the Changes in Net Position of the City as a whole.

NET POSITION

Net Position represents the difference between the City's resources (total assets) and its obligations (total liabilities). Over time, Net Position may serve as an indication of a government's financial position. The City's Net Position is made-up of three components: Net Investment in Capital Assets (net of related debt), Restricted, and Unrestricted.

Table 1 - Summary of Net Position (In Millions)

Note: Details can be found in the "Statement of Net Position"

**Category did not exist in Fiscal Year 2012*

The Total Net Position reflected in Table 1 summarizes the information provided in the Basic Financial Statements – Statement of Net Position. It includes both Changes in Net Position and any Restatements of Net Position. The City’s Government-Wide Total Net Position for FY13 is \$215.70 million, with assets of \$304.70 million, deferred outflows of \$415,000, liabilities of \$89.36 million, and deferred inflows of \$50,000.

The net investment in capital assets of \$141.76 million represents 65.72% of the City’s Total Net Position. This is a decrease of \$6.76 million from the previous year. Investment in capital assets (e.g., infrastructure, land, structures and improvements, furniture and equipment) for this purpose is reduced by any related debt used to acquire those assets that are still outstanding, and the depreciation on those assets. The City uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the City’s investment in its capital assets is reported Net of Related Debt, it should be noted that the resources needed to repay this debt must be provided from other resources, since the capital assets themselves cannot be used to liquidate these liabilities.

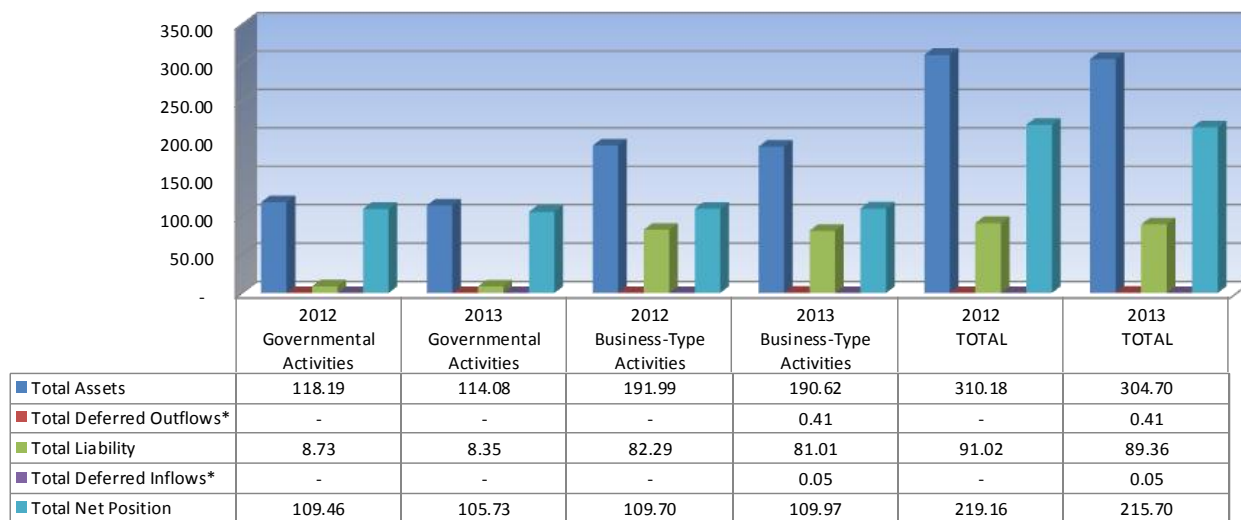

The portion of the City’s Net Position subject to external restrictions in how they may be used is \$28.62 million (13.27% of the Total Net Position). The Restricted Net Position includes Community Development Projects, Public Safety, Parks and Recreation, Public Works, Capital Projects, and Debt Service.

The remaining Unrestricted Net Position balance of \$45.32 million (21.01% of the Total Net Position) may be used to meet the government’s ongoing obligations to citizens and creditors within the program areas. Of this amount, only \$5.41 million relates to the General Fund, which is discussed in more detail in [Section III](#).

The City’s Net Position decreased by \$3.46 million from FY12 to FY13. Approximately \$1.78 million of this change reflects a restatement due to implementing the reporting requirements of GASB 63 & 65, as well as a change in asset depreciation. The remainder reflects the change in revenues & expenses

Chart 1 – provides a visual summary of the information presented in Table 1.

Chart 1 – Net Position

Note: Details can be found in the "Statement of Net Position"

*Category did not exist in Fiscal Year 2012

CHANGES IN NET POSITION

Table 2 summarizes the information on the Statement of Activity using a different layout in order to facilitate providing a two year comparison of the Governmental and Business-Type Activities. Under Governmental Activities, the City's Net Position decreased by \$4.38 million before \$728,000 in transfers from the Business-Type Activities. The result was a decrease in net position of \$3.66 million. Under Business-Type Activities the City's Net Position increased by \$2.83 million before the \$728,000 in transfers to the Governmental Activities; resulting in an increase in net position of \$2.05 million.

Note: Details can be found in the "Statement of Activities"

REVENUES – CITY WIDE

The total Government-Wide Activity revenues (Table 2) for FY13 were \$66.24 million, of which \$17.97 million is from Governmental Activities, and \$48.27 million is from Business-Type Activities. Compared to FY12, total revenues decreased \$60,000 from \$66.30 million.

Overall, Table 2 shows that Total Revenues for Governmental Activities have decreased \$600,000, a decrease of 3.23% over FY12. Property Taxes, which are considered General Revenues, are the largest revenue at \$3.76 million. This revenue category experienced a decrease of \$1.81 million from the prior year of \$5.57 million, or 32.50%, primarily due to AB 1X 26 reporting methods which changed midyear FY12 for Redevelopment Agencies. In FY12 there was approximately \$1.90 million in property tax revenues now reported in the Successor Agency Trust Fund. Sales taxes increased by \$200,000, an increase of 6.8% mainly due to a sales tax backfill increase of \$190,000 (The backfill is part of the Triple Flip program implemented by the State that allows the State to keep certain sales tax dollars in the State coffers for a longer period of time thus benefiting the State with the interest earnings and cash flow). There was also an increase in sales tax revenue of \$100,000 from the Cabazon outlets.

Business-Type Activity shows an overall improvement in Total Revenues of \$540,000, a 1.13% increase; primarily related to the area of Charges for Services, which had an increase of \$2.92 million over FY12. While Charges for Services had a significant increase, General Revenues experienced a decrease of \$1.92 million in addition to Operating Contributions and Grants, experiencing a decrease of \$470,000. Further information is available on Table 4 showing the functions (programs) that are business-type activities.

EXPENSES – CITY WIDE

The Government-Wide expenses totaled \$67.84 million, a decrease of 2.71% over FY12 (see Table 2). The Governmental Activities totaled \$22.36 million, or 32.95% of total expenses. Governmental Activities are grouped by functional activity. General Government includes Administration, Building & Safety, City Clerk, City Treasurer, Engineering, Finance, Human Resources, Human Resources, Planning, and Public Works. Public Safety includes Police and Fire services. Community Development is the Housing Authority.

Business-Type Activities totaled \$45.49 million, accounting for 67.05% of total expenses with an increase of 0.20% over FY12. Business-Type Activities are also grouped by functional activity. These typically represent activities performed in exchange for a fee. The functional activities are Airport, Transit, Electric Utility, Water, Wastewater, and Refuse.

GOVERNMENTAL ACTIVITIES

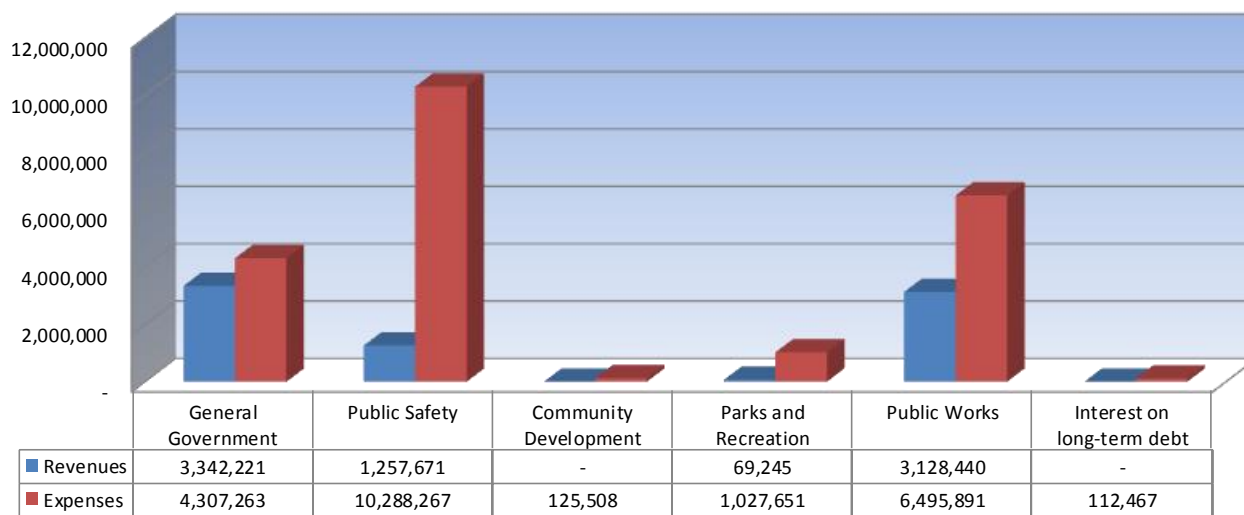

Table 3 and Chart 2 focus on the information on the Statement of Activity that relates to Governmental Activities. Most of the City's basic services are classified as Governmental Activities. Governmental Activities are financed by Taxes, Revenues from Other Government Agencies, State/Federal Grants, and Charges for Services. The following represents the cost of each of the City's five largest programs – General Government, Public Safety, Community Development, Parks and Recreation, Public Works, and Interest on Long-Term Debt – as well as each program's *net* cost (total cost less revenues generated by the activities). The Net Revenues (Expenses) show the financial burden that was placed on the City's taxpayers by each of these functions (see Table 3).

Table 3 - Program Net Cost: Government Activities

	Program Revenues			Total Cost of Services			Net Revenues (Expenses)

Chart 2 – Governmental Activities Program Revenue & Expenses

Note: Details can be found in the "Statement of Activities"

BUSINESS-TYPE ACTIVITIES

Table 4 and Chart 3 focus on the information on the Statement of Activity that relates to Business-type Activities. Certain services provided by the City are funded by customer fees. The following represents the cost of each of the City's six programs - Airport, Transit, BUA Water Utility, Electric Utility, BUA Wastewater Utility, and Refuse Utility - as well as each program's *net* cost (total cost less revenues generated by the activities).

Airport activities show negative net revenues in 2013 due to depreciation and operating expenses. ⚙️ Transit activities show negative net revenues due to depreciation expenses. Typically the revenues received from fares are insufficient to cover operations; however, the remainder of the operating revenues is received from Riverside County Transportation Commission (RCTC) and is reflected in the General Revenues line item. ⚙️ Water utility activities reflect positive net revenues for both 2012 and 2013. ⚙️ Electric utility activities reflect negative net revenues for both 2012 and 2013. These are due primarily to increases in operating costs at the San Juan plant and regulatory mandates. For FY14, rate increases were approved by Council to address these ongoing operational impacts. ⚙️ Wastewater Utility activities and Refuse utility activities reflect negative net revenues

for 2012 and positive net revenues for 2013. A combination of improved revenues and deferred costs resulted in the positive net revenues for 2013.

II. FUND FINANCIAL STATEMENTS

The "Fund Financial Statements" and the "Combining and Individual Fund Statements and Schedules" provide detailed information about the City's funds. The focus of the fund statements relates more closely to the information used for managing the budget and day to day operations.

A fund is an accounting entity with a self-balancing set of accounts that the City uses to keep track of resources that have been segregated for specific activities or objectives. In addition, while some funds are required to be established by State law and by bond covenants, management has also established other funds to help control and manage money for particular purposes or to show that the legal responsibilities for using certain taxes, grants, and other resources are being met.

The City uses fund accounting to demonstrate and ensure compliance with finance-related legal requirements. The Fund Financial Statements focus on individual parts of the City government, thus

reporting the City's operations in more detail than the Government-Wide statements. The types of Governmental Funds reported by the City include the General Fund, Special Revenue Funds, Capital Project Funds, and Internal Service Funds. Proprietary and Fiduciary Funds are also reported in this section. The fund statements provide information on near-term inflows, outflows and balances of spendable resources. These funds represent the reporting structure of the budget and interim council reports.

GOVERNMENTAL FUNDS

Governmental Funds are used to account for essentially the same functions reported as Governmental Activities in the Government-Wide Financial Statements. However, unlike the Government-Wide Financial Statements, Governmental Fund Financial Statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's short-term financing requirements.

The information in the Governmental Funds statements provides more detail of Governmental Activities reported in the Government-Wide Financial Statements. The Governmental Fund Balance Sheet and the Governmental Fund Statement of Revenues, Expenditures, and Changes in Fund Balances provide a reconciliation to facilitate this comparison between Governmental Funds and Governmental Activities.

The City maintains twenty-six individual governmental funds. These funds report financial transactions using the modified accrual accounting method. Information for the City's General Fund is presented separately in the Balance Sheet and the Statement of Revenues, Expenditures and Changes in Fund Balances. The General Fund is considered a Major Governmental Fund. Data for the Non-Major Governmental Funds is broken down further to the fund level in the "Combining and Individual Fund Statements and Schedules" that follow the Notes to Financial Statements.

The City adopts an annual appropriated budget which includes the General Fund, Special Revenue Funds, Capital Project Funds, and Debt Service Funds. A budgetary comparison statement has been provided for each of the funds to demonstrate compliance with the budget.

GOVERNMENTAL REVENUES

Table 5 below presents a summary of Governmental Fund Revenues for the fiscal year ended June 30, 2013, with comparative amounts from the prior year. Revenues of Governmental Funds for Fiscal Year 2013 were \$16.99 million, which is a decrease of \$990,000 or 5.52% compared to the previous fiscal year. Miscellaneous revenues increased by \$470,000 primarily attributed to the distribution of \$440,000 of Former Redevelopment Agency assets as part of the State of California Due Diligence review process. The significant reduction in tax revenue is due to the Former Redevelopment Agency revenues now being reported in the Successor Agency Trust Fund, a fiduciary fund.

Table 5 - Comparison of Governmental Revenues

	2011-12	% of Total Revenues	2012-13	% of Total Revenues	\$ Increase / (Decrease)	% Change
Taxes	10,333,746	57.48%	8,841,406	52.05%	(1,492,340)	14.44%

Note: Details can be found in the "Statement of Revenues, Expenditures and Changes in Fund Balances"

GOVERNMENTAL EXPENDITURES

Total expenditures for Fiscal Year 2013 were \$19.25 million, a decrease of \$3.22 million or 14.34% from the prior year. The major reductions in expenditures include decreases in Public Safety of \$920,000, Capital Outlay of \$920,000 and in Debt Service of \$2.74 million. The Capital Outlay and the Debt Service relate primarily to the changes in reporting required by the elimination of the Banning Community Redevelopment Agency. Successor Agency activity is now reported as a Fiduciary Fund.

Table 6 - Comparison of Governmental Expenditures

	2011-12	% of Total Expenditures	2012-13	% of Total Expenditures	\$ Increase / (Decrease)	% Change
General Government	2,668,160	11.87%	4,095,480	21.28%	1,427,320	53.49%

Note: Details can be found in the "Statement of Revenues, Expenditures and Changes in Fund Balances"

PROPRIETARY FUNDS

When the City charges customers for the services it provides, these services are generally reported in Proprietary Funds. Proprietary Funds and Financial Statements, like the Government-Wide Financial Statements, provide both long-term and short-term financial information.

- **Enterprise Funds** are used to report the same functions presented as Business-Type Activities in the Government-Wide Financial Statements.
- **Internal Service Funds** report activities that provide services for the City's other programs and activities such as the City's Self Insurance, Fleet Maintenance, Information Systems and Utility Billing Services.

FIDUCIARY FUNDS

The City is the trustee, or *fiduciary*, for certain funds held on behalf of those entities outside of the government. The City's fiduciary activities are reported in a separate Statement of Fiduciary Net Position. The City excludes these activities from the City's other financial statements because the City cannot use these assets to finance its operations. The City is responsible for ensuring that the assets reported in these funds are used for their intended purposes.

The Fiduciary Funds now include all of the funds related to the Successor Agency of the Former Redevelopment Agency, which was formed upon dissolution of the Banning Community Redevelopment Agency (CRA). The Successor Agency is subject to the control of the newly established oversight board and can only pay enforceable obligations in existence at the date of dissolution. Furthermore, it will hold the remaining assets of the former Redevelopment Agency until the enforceable obligations are legally satisfied or they are distributed to local taxing entities. Additional information on the dissolution of the CRA can be found in the Footnotes To The Financial Statements (Note 17).

III. FINANCIAL ANALYSIS OF THE GENERAL FUND

The City Council committed \$3.34 million as an emergency contingency in the General Fund. Funds classified as Nonspendable total \$3,000 for loans receivable. Funds classified as Assigned total \$2.07 million for capital projects, public safety, public works, debt service, general government, future compensated absences, litigation contingency, gas tax commitment, police reward, SB1186 Disability Access and PEG. Any remaining fund balance is identified as Unassigned. The terminology and presentation of fund balance has changed with the implementation of GASB 54.

GENERAL FUND – REVENUE AND EXPENDITURE ANALYSIS

For Fiscal Year 2013, General Fund revenues were \$15.49 million. Table 7 shows an increase of \$1.83 million of which \$1.01 million is a result of police grants and \$410,000 from the Former Redevelopment Agency distribution of assets. Transfers In showed a net decrease of \$261,427 due to a change in recording. The revenues which were previously recorded in the Public Safety Sales Tax Fund and transferred to the General Fund are now recorded directly to the General Fund. Property taxes have shown an increase for FY13 compared to FY12. There were improvements in Sales Tax, Miscellaneous, and Intergovernmental revenues, resulting in a combined increase of \$1.93 million over the prior fiscal year.

Table 7 - General Fund Revenues

	2010-11	2011-12	2012-13	% of Total	\$ Increase / (Decrease) to Last Year	% Change

*Category did not exist prior to fiscal year 2013

Note: Details can be found in the "Budgetary Comparison Statement, General Fund"

For Fiscal Year 2013, General Fund expenditures were \$13.58 million. Table 8 shows a net decrease of \$8.66 million of which the Transfers Out line item represents the largest amount. The Public Safety line item shows a net decrease of over \$916,000 primarily related to reduced Public Safety grant expenditures and \$160,000 in Fire suppression costs.

Table 8 - General Fund Expenditures

	2010-11	2011-12	2012-13	% of Total	\$ Increase / (Decrease) to Last Year	% Change

Note: Details can be found in the "Budgetary Comparison Statement, General Fund"

GENERAL FUND BUDGETARY HIGHLIGHTS

Throughout the year, with the recommendation from the City's staff, the City Council revised the City budget several times. The Final Budget differs from the Original Budget in that it contains carry-forward appropriations and revenues for various projects, supplemental revenues, carry-forward appropriations for open purchase orders from the previous year, and appropriations approved by City Council throughout the year. Budgetary adjustments were made on an ongoing basis in an effort to better reflect the City's financial position. These adjustments included, but were not limited to, new projects or contracts, change orders to existing projects or contracts, and other adjustments deemed necessary to maintain current service levels. All adjustments, that either increase or decrease appropriations or estimated revenue, are approved by the City Council. The budgetary comparison information can be found in the "Budgetary Comparison Statement, General Fund".

For the City's General Fund, actual ending revenues of \$15.49 million were \$280,000 greater than the final budgeted revenues of \$15.21 million. The most significant variance was in Miscellaneous revenues. In this category, the City budgeted a total of \$1.29 million, and the actual was \$1.48 million, primarily as a result of the distribution of assets of the Former Redevelopment Agency.

The General Fund actual ending expenditures of \$13.58 million were \$736,000 less than the final budget of \$14.32 million. The City's General Fund showed a net increase in fund balance of \$1.91 million as a result of improved revenues and reduced expenditures. Some variances were related to contract or professional services where actual costs came in less than budget in Fire, Personnel, and Planning. The most significant variances shown in Capital Outlay are the result of projects and grants in progress. Many of these remaining balances have been carried forward to FY14 as continuing appropriations so that the projects can be completed.

IV. CAPITAL ASSET AND DEBT ADMINISTRATION

CAPITAL ASSETS

The City's investment in capital assets (Table 9) for its Governmental and Business-Type Activities as of June 30, 2013, is \$196.77 million (net of accumulated depreciation). This investment in capital assets includes land, structures and improvements, furniture and equipment, infrastructure and construction in progress. For more information, please refer to Note 5 in the Notes to the Financial Statements. The Capital Assets of the City are those assets which are used in the performance of the City's functions including infrastructure assets. Depreciation on capital assets is recognized in the Government-Wide Financial Statements.

Note: Details can be found in "Note 5 (Changes in Capital Assets)"

DEBT

At year-end, the City's Governmental Activities had \$5.10 million in Compensated Absences, Claims and Judgments, and leases outstanding, while the Business-Type Activities had \$75.35 million in debt. Table 10 below is a summary of the City's long-term debt for the year ended June 30, 2013. The Redevelopment Tax Allocation Bonds and other loans are no longer reported as a Governmental Activity. For additional information on the Redevelopment Tax Allocation bonds, refer to Note 17 of the notes to the Financial Statements.

Debt in the Business-Type Activities consists of Water and Wastewater Revenue Bonds, Electric Revenue Bonds, a loan payable to the California Water Resources Control Board and Compensated Absences. For additional information on long-term debt refer to the Note 9 of the Notes to the Financial Statements.

**RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES,
AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS
TO THE STATEMENT OF ACTIVITIES
YEAR ENDED JUNE 30, 2013**

Net change in fund balances - total governmental funds \$ (1,535,165)

Amounts reported for governmental activities in the statement of activities are different because:

Governmental funds report capital outlays as expenditures. However, in the statement of activities, the costs of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which capital outlays exceeded depreciation in the current period.

Capital outlay	\$ 2,191,803	
Depreciation	(5,603,066)	
Disposal, net of accumulated depreciation	<u>(15,781)</u>	(3,427,044)

Repayment of bond principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position.

Principal repayments	320,963
----------------------	---------

Accrued interest for long-term liabilities. This is the net change in accrued interest for the current period.

2,357

Compensated absences expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds.

(66,152)

Revenues reported as unavailable revenue in the governmental funds and recognized in the statement of activities. These are included in the intergovernmental revenues in the governmental fund activity.

784,258

Internal service funds are used by management to charge the costs of certain activities, such as equipment management and self-insurance, to individual funds. The net revenues (expenses) of the internal service funds is reported with governmental activities.

264,275

Change in net position of governmental activities

I. SIGNIFICANT ACCOUNTING POLICIES

Note 1: Organization and Summary of Significant Accounting Policies

a. Description of the Reporting Entity

The City of Banning was incorporated in 1913 under the laws of the State of California and enjoys all the rights and privileges applicable to a general law city. It is governed by an elected five-member board. As required by accounting principles generally accepted in the United States of America, these financial statements present the City of Banning (the primary government) and its component units. The component units discussed below are included in the reporting entity because of their operational or financial relationships with the City of Banning.

Blended Component Units

The Banning Wastewater Facilities Corporation (the Corporation) was organized at the request of the City in 1984 pursuant to the Nonprofit Public Corporation Law of the State of California (Title 1, Division 2, Part 2 of the California Corporations Code). In 1986, an amendment to its articles of incorporation changed the name of the Corporation to the Banning Public Facilities Corporation. It exists for the purposes of participating with the City of Banning in projects to improve the health, safety and welfare of the City and its residents, purchasing and leasing real and personal property in connection with such projects, and assisting the City in financing, acquiring and constructing such projects. It does not issue separate financial statements. Its activities are included with the City's activities in these financial statements.

The City of Banning Financing Authority (the Authority) was formed by a joint exercise of powers agreement between the City of Banning and the former Banning Redevelopment Agency. It was established November 12, 2003 under Article 1 (commencing with Section 6500) of the Joint Powers Law of the State of California for the purpose of providing an entity to assist in providing financing for the City and the Agency. It does not issue separate financial statements. Its activities are included with the City's activities in these financial statements.

The Banning Utility Authority (Authority) is a joint powers authority which was established on June 1, 2005 pursuant to a Joint Exercise of Powers Agreement between the City of Banning and the former Redevelopment Agency of the City of Banning in accordance with the Joint Powers Law (Article 1 through 4 of Chapter 5, division 7, title 1 of the California Government code) for the purpose of assisting the City in the leasing of the utility system. The Banning Redevelopment Agency was dissolved as of January 31, 2012, through the Supreme Court decision on Assembly Bill 1X26. The City serves as the successor Agency to the Redevelopment Agency of the City of Banning. The Authority's Officers are the Banning City Council. The Authority is a separate legal entity, which is financially accountable to the City of Banning. It is considered a component unit of the City and, accordingly, is included with the City's activities in these financial statements.

Note 1: Organization and Summary of Significant Accounting Policies (Continued)

b. Government-Wide and Fund Financial Statements

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the nonfiduciary activities of the primary government and its component units. For the most part, the effect of interfund activity has been removed from these statements. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely, to a significant extent, on fees and charges for support. Likewise, the primary government is reported separately from certain legally separate component units for which the primary government is financially accountable.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include: 1) charges to customers or applicants who purchase, use or directly benefit from goods, services or privileges provided by a given function or segment, and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Major individual governmental funds are reported as separate columns in the fund financial statements.

c. Measurement Focus, Basis of Accounting and Financial Statement Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Property taxes, franchise taxes, licenses and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. Only the portion of special assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period. All other revenue items are considered to be measurable and available only when cash is received by the government.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2013

Note 1: Organization and Summary of Significant Accounting Policies (Continued)

The proprietary and private-purpose trust funds are reported using the economic resources measurement focus and the accrual basis of accounting. The agency funds have no measurement focus but utilize the accrual basis of accounting for reporting its assets and liabilities.

The City reports the following major governmental funds:

- The General Fund is the government's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

The City reports the following major proprietary funds:

- The Banning Utility Authority Water Fund is used to account for the construction, operation, maintenance and consumption of water services within the City's water service area.
- The Electric Utility Fund is used to account for the costs of labor and materials used in the maintenance, construction and consumption of electric services throughout the City.
- The Banning Utility Authority Wastewater Fund is used to account for the costs of labor and materials, construction and consumption of wastewater services within the City's wastewater service area.

Additionally, the City reports the following fund types:

- Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes.
- Capital Project Funds are used to account for capital project expenditures throughout the City.
- Debt Service Funds are used to account for debt service related expenditures.
- Internal Service Funds are used to account for the financing of goods or services provided by one department or agency for other departments or agencies of the City, or to other governments, on a cost reimbursement basis.
- The Agency Funds are used to report resources held by the City in a purely custodial capacity, which involves only the receipt, temporary investment and remittance of fiduciary resources to individuals, private organizations or other governments. The City's agency funds account for assessments levied for debt service on bond issues which are not a debt of the City.
- The Private-purpose Trust Fund accounts for the assets and liabilities of the former redevelopment agency and is allocated revenue to pay estimated installment payments of enforceable obligations until obligations of the former redevelopment agency are paid in full and assets have been liquidated.

Amounts reported as program revenues include: 1) charges to customers or applicants for goods, services or privileges provided, 2) operating grants and contributions, and 3) capital grants and contributions, including special assessments. Internally dedicated

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2013

Note 1: Organization and Summary of Significant Accounting Policies (Continued)

resources are reported as general revenues rather than as program revenues. Likewise, general revenues include all taxes. Certain indirect costs are included in the program expense reported for individual functions and activities.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the enterprise funds and of the internal service funds are charges to customers for sales and services. Operating expenses for enterprise funds and internal service funds include the cost of sales and services, administrative expenses and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

When both restricted and unrestricted resources are available for use, it is the government's policy to use restricted resources first, and then unrestricted resources as they are needed.

d. Assets, Liabilities and Net Position or Equity

Deposits and Investments and Cash and Cash Equivalents

The City's cash and cash equivalents are considered to be cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of acquisition.

Investments for the City, as well as for its component units, are reported at fair value. The State Treasurer's Investment Pool operates in accordance with appropriate state laws and regulations. The reported value of the pool is the same as the fair value of the pool shares.

The provisions of Governmental Accounting Standards Board (GASB) Statement No. 31, *Accounting and Financial Reporting for Certain Investments and External Pools*, require governmental entities to report certain investments at fair value in the balance sheet and recognize the corresponding change in the fair value of investments in the fiscal year in which the change occurred. All investments have been stated at fair value.

Receivables and Payables

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e., the current portion of interfund loans) or "advances to/from other funds" (i.e., the non-current portion of interfund loans). All other outstanding balances between funds are reported as "due to/from other funds." Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as "internal balances."

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2013

Note 1: Organization and Summary of Significant Accounting Policies (Continued)

Advances between funds, as reported in the fund financial statements, are offset by nonspendable fund balance in applicable governmental funds to indicate that they are not available for appropriation and are not expendable available financial resources.

All trade and property tax receivables are shown net of an allowance for uncollectibles.

The noncurrent portion of receivables related to revenue is set up as unavailable revenue and recognized as revenue when the receivables become current. The noncurrent portion of loans and other receivables are offset by fund balance non-spendable accounts. Property tax revenue is recognized in the fiscal year for which the taxes have been levied providing they become available. Property taxes in the State of California are administered for all local agencies at the county level and consist of secured, unsecured and utility tax rolls. The following is a summary of major policies and practices relating to property taxes:

Property Valuations are established by the Assessor of the County of Riverside for the secured and unsecured property tax rolls; the utility property tax rolls are valued by the State Board of Equalization. Under the provisions of Article XIII A of the State Constitution (Proposition 13 adopted by the voters on June 6, 1978), properties are assessed at 100% of full value. From this base of assessment, subsequent annual increases in valuation are limited to a maximum of 2%. However, increases to full value are allowed for property improvements or upon change in ownership. Personal property is excluded from these limitations and is subject to annual reappraisal.

Tax Levies are limited to 1% of appraised value, which results in a tax rate of \$1.00 per \$100 assessed valuation, under the provisions of Proposition 13. Tax rates for voter-approved indebtedness are excluded from this limitation.

Tax Levy Dates are attached annually on January 1 preceding the fiscal year for which the taxes are levied. The fiscal year begins July 1 and ends June 30 of the following year. Taxes are levied on both real and unsecured personal property as they exist at that time. Liens against real estate, as well as the tax on personal property, are not relieved by subsequent renewal or change in ownership.

Tax Collections are the responsibility of the county tax collector. Taxes and assessments on secured and utility rolls, which constitute a lien against the property, may be paid in two installments; the first is due on November 1 of the fiscal year and is delinquent if not paid by December 10, and the second is due on January 1 of the fiscal year and is delinquent if not paid by April 10. Unsecured personal property taxes do not constitute a lien against real property unless the taxes become delinquent. Payment must be made in one installment, which is delinquent if not paid by August 31 of the fiscal year. Significant penalties are imposed by the county for late payment.

Tax Levy Apportionments are due to the nature of the citywide maximum levy. It is not possible to identify general purpose tax rates for specific entities. Under state legislation adopted subsequent to the passage of Proposition 13, apportionments to local agencies are made by the county auditor-controller based primarily on the ratio that each agency represented of the total City-wide levy for the three years prior to fiscal year 1979.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2013

Note 1: Organization and Summary of Significant Accounting Policies (Continued)

Property Tax Administration Fees for the State of California fiscal year 1990-1991 Budget Act authorized counties to collect an administrative fee for collection and distribution of property taxes. Property taxes are recorded net of administrative fees withheld during the fiscal year.

Inventories and Prepaid Items

Inventories of materials and supplies (if material) are carried at cost on a first-in, first-out (FIFO) basis. The City uses the consumption method of accounting for inventories. Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements.

Capital Assets

Capital assets, which include property, plant, equipment and infrastructure assets (e.g., roads, bridges, sidewalks and similar items), are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than \$5,000 (amount not rounded) and an estimated useful life in excess of two years. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed.

Property, plant and equipment of the primary government, as well as the component units, are depreciated using the straight-line method over the following estimated useful lives:

Assets	Years
Building and Structures	20 - 50
Improvements	15 - 25
Machinery and Equipment	3 - 25
Vehicles	5 - 10
Infrastructure	40 - 50
Airport Master Plan	10 - 20
Utility Plant	20 - 60

Deferred outflows/inflows of resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/ expenditure) until then. The government only has one item that qualifies for reporting in this category. It is the deferred charge on refunding reported in the government-wide statement of net position. A deferred charge on refunding

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2013

Note 1: Organization and Summary of Significant Accounting Policies (Continued)

results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The government has two items, which arises only under a modified accrual basis of accounting, that qualifies for reporting in this category. Accordingly, unavailable revenue, is reported only in the governmental funds balance sheet. The governmental funds report unavailable revenues from sources; such as, taxes, grant revenues, and long-term receivables. In addition a deferred gain on refunding is reported in the proprietary funds. These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available.

Fund balance flow assumptions

Sometimes the government will fund outlays for a particular purpose from both restricted and unrestricted resources (the total of committed, assigned, and unassigned fund balance). In order to calculate the amounts to report as restricted, committed, assigned, and unassigned fund balance in the governmental fund financial statements a flow assumption must be made about the order in which the resources are considered to be applied. It is the government's policy to consider restricted fund balance to have been depleted before using any of the components of unrestricted fund balance. Further, when the components of unrestricted fund balance can be used for the same purpose, committed fund balance is depleted first, followed by assigned fund balance. Unassigned fund balance is applied last.

Compensated Absences

Compensated absences are the amounts due to employees for future absences that are attributable to services already rendered. The City has determined that no current liability exists for compensated absences; therefore, the liability for governmental activities is shown only in the government-wide statements. For proprietary funds the liability for compensated absences, if any, is segregated between short-term and long-term as indicated above and both portions are reflected in the fund involved. Vacation pay is payable to employees at the time a vacation is taken or upon termination of employment. Sick leave is payable when an employee is unable to work because of illness or upon termination. Compensatory time, personal leave, executive leave and holiday pay are payable at the time leave is taken or upon termination. The vested portion of these compensated absences is accrued in the government-wide statements and is also accrued in proprietary funds at year-end.

The following are summaries of the City's compensated leave policies:

Compensatory Time/Personal Leave/Executive Leave may be accrued in the following manner prior to July 1, 2013: Compensatory time for Police employees up to 240 hours, Utility and General employees up to 160 hours, and Non-exempt Managers up to 240 hours. Exempt Managers receive 98 hours of personal leave per year that may be accrued without limit; the City Manager and Department Directors receive 98 hours of executive leave annually that may be accrued without limit.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2013

Note 1: Organization and Summary of Significant Accounting Policies (Continued)

Utility employees may cash out 40 hours of compensatory time, or vacation, or any combination thereof, annually. Non-exempt Management employees may cash out 60 hours of compensatory time per year and Exempt Management employees may elect to cash out 60 hours of personal leave per year. The City Manager and Department Directors may cash out 98 hours of executive leave per year.

All compensatory time/personal leave/executive leave is payable to employees upon termination at the rate of pay at termination.

Effective July 1, 2013, Compensatory Time/ Personal Leave/Executive Leave may be accrued in the following manner: Compensatory time for Police employees up to 240 hours, Utility and General employees up to 160 hours, and Non-exempt Managers up to 240 hours.

Exempt Managers receive 98 hours of personal leave per year that may be accrued up to 192 hours. Effective the first full pay period in July 2013, all personal leave balances above 150 hours will be moved to a unique leave account.

Police Management receives 98 hours of personal leave per year that may be accrued up to 98 hours. Effective the first full pay period in July 2013, all personal leave balances will be moved to a unique leave account.

The City Manager and Department Directors receive 98 hours of executive leave annually that may be accrued up to 200 hours. Effective the first full pay period in July 2013, all executive leave balances above 98 hours will be moved to a unique leave bank.

Utility employees may cash out 40 hours of compensatory time, or vacation, or any combination thereof, annually. Non-exempt Management employees may cash out 60 hours of compensatory time per year. Police Management and Exempt Management employees may elect to cash out 60 hours of personal leave per year. The City Manager and Department Directors may cash out 98 hours of executive leave per year.

All compensatory time/personal leave/executive leave is payable to employees upon termination at the rate of pay at termination.

Sick Leave accrues to employees in the following manner prior to July 1, 2013: Police employees accrue sick leave without limit. Each employee may be eligible to convert up to 40 hours of unused sick leave to vacation each year, and after 10 years of service to the City, each employee, upon voluntary separation or involuntary disability, shall be eligible to be paid 40% of accrued sick leave.

General union and Utility personnel shall accrue sick leave without limit. General employees may elect to receive a buyout of 40 hours of sick, vacation or compensatory time, or any combination thereof, annually. Upon termination, voluntary or involuntary, or disability, each employee after 10 years of continuous service shall be eligible to convert to cash up to 30% of unused sick leave or contribute the entire remaining balance to deferred compensation or the City's Retiree Medical Savings Plan.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2013

Note 1: Organization and Summary of Significant Accounting Policies (Continued)

Annually, Utility employees may receive an 80-hour sick leave pay off. Upon voluntary separation or involuntary disability, each employee may receive a cash payment for up to 80 hours of accrued sick leave, in addition, after 10 years of service, the employee may be paid for 30% of unused sick leave or contribute the entire remaining balance to deferred compensation or the City's Retiree Medical Savings Plan.

The City Manager shall accrue sick leave to a maximum of 320 hours and may receive an annual sick leave pay off of up to 96 hours. Upon separation, the City Manager shall receive payment for all sick hours accrued.

Department Directors and Managers shall accrue sick leave without limit. Annually, Department Directors and Managers may receive a 96-hour sick leave pay off, but will not be able to cash out sick leave below 40 hours. Upon separation, service retirement, disability retirement or termination, each Management employee is eligible to receive payment for up to 96 hours of accrued sick leave and after 10 years of service, up to 30% of accrued sick leave over 96 hours. Department Directors shall receive payment for all sick hours accrued.

Beginning with the 11th year of service, all employees have the option to convert their sick leave bank, less 40 hours, to deferred compensation or the City's Retiree Health Savings Plan.

Effective January 2013, Sick leave will accrue to Police Management as follows: employees will accrue sick leave up to a cap of 320 hours. All sick hours above 224 will be moved to a unique sick leave account. Annually, employees may receive a 96-hour sick leave pay off or convert hours to deferred compensation, but will not be able to cash out sick leave below 40 hours. Upon separation, service retirement, disability retirement, or termination, an employee may receive a cash payment for a maximum of 96 hours. Beginning the 10th year of continuous City service, all hours accrued shall be eligible for conversion to cash in an amount equivalent to 30% of such unused sick leave. Beginning with the 11th year of service, unit members may convert 50% of their sick leave bank, less 40 hours, to deferred compensation or the City's Retiree Health Savings Plan.

Effective July 1, 2013, Sick Leave accrues to employees in the following manner: Police employees accrue sick leave without limit. Each employee may be eligible to convert up to 40 hours of unused sick leave to vacation each year, and after 10 years of service to the City, each employee, upon voluntary separation or involuntary disability, shall be eligible to be paid 40% of accrued sick leave.

Management employees, Utility personnel and General employees will accrue sick leave up to a cap of 400 hours. Effective the first full pay period in July 2013, excess hours above 224 will be moved to an "old sick" leave account. During the year ended June 30, 2014 and thereafter, any hours that exceed the regular cap of 400 hours will not be accrued.

Upon separation, service retirement, disability retirement or termination, after 10 years of service, Utility and General personnel may receive a cash payment for 30% of all unused sick leave or contribute the entire remaining balance of sick leave to the employee's 457 Deferred Compensation Account (subject to IRS maximum contributions provided by law) or City's Retiree Medical Savings Account.

Upon separation, service retirement, disability retirement or termination, Management employees shall be eligible to receive a cash payment for accrued sick leave in an

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2013

Note 1: Organization and Summary of Significant Accounting Policies (Continued)

amount not to exceed 96 hours. After 10 years of continuous City service, all hours accrued, less the total hours cashed out, shall be eligible for conversion to cash in an amount equivalent to 30% of such unused sick leave.

Beginning with the 11th year of service, all Management, Utility and General employees have the option to convert their sick leave bank, less 40 hours, to deferred compensation or the City's Retiree Health Savings Plan.

The City Manager shall accrue sick leave to a maximum of 320 hours and may receive an annual sick leave pay off of up to 96 hours. Upon separation, the City Manager shall receive payment for all sick hours accrued.

Department Directors shall accrue sick leave up to a maximum of 480 hours. Effective the first full pay period in July 2013, excess sick hours above 96 will be moved to an "old sick" leave bank. Annually, Department Directors may receive a 96-hour sick leave pay off, but will not be able to cash out sick leave below 40 hours. Upon separation, service retirement, disability retirement or termination, Department Directors shall receive payment for all sick hours accrued.

Vacation and Holiday Leave accrue in the following manner prior to July 1, 2013: Police employees accrue hours according to schedules set forth in a memorandum of understanding. After one year of employment, each employee is eligible to be paid for accrued vacation. Maximum accrual for vacation is 320 hours and 336 hours for non-supervisory and supervisory personnel, respectively. Holiday leave may be accrued to a maximum of 160 hours. At termination, after 1 year of continuous full-time service, employees shall be paid for 100% of accrued vacation and holiday leave.

General and Utility personnel accrue vacation leave in accordance with schedules set forth in a memorandum of understanding. Holidays do not accrue, but are paid per schedules set forth in a memorandum of understanding. Vacation leave accrues up to a maximum of 320 hours. Upon termination, all union personnel with at least six months service will be paid for all accrued hours.

The City Manager's maximum accrual for vacation is 320 hours. Department Directors accrue vacation with no limit. Holiday hours for the City Manager and Department Directors accrue without limit. Upon termination, the City Manager and Department Directors shall be entitled to be paid for the entire amount of vacation and holiday time accrued.

Management employees accrue vacation and holiday leave in accordance with schedules set forth in a memorandum of understanding. All accrued vacation and holiday leave shall be paid upon termination up to a maximum of 320 hours for vacation and an unlimited amount of hours for holiday after six months of service.

Employees may cash out vacation/holiday time annually as follows:

<u>Hours</u>	
City Manager (vacation)	120
Department Directors (vacation)	80
Managers	80 (vacation in excess of 80)
Police (vacation)	40
Police (holiday)	88

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2013

Note 1: Organization and Summary of Significant Accounting Policies (Continued)

Effective July 1, 2013, Vacation and Holiday Leave Police employees accrue hours according to schedules set forth in a memorandum of understanding. After one year of employment, each employee is eligible to be paid for accrued vacation. Maximum accrual for vacation is 320 hours and 336 hours for non-supervisory and supervisory personnel, respectively. Holiday leave may be accrued to a maximum of 160 hours. At termination, after 1 year of continuous full-time service, employees shall be paid for 100% of accrued vacation and holiday leave.

General and Utility personnel accrue vacation leave in accordance with schedules set forth in a memorandum of understanding. Holidays do not accrue, but are paid per schedules set forth in a memorandum of understanding. Vacation leave accrues up to a maximum of 320 hours. Upon termination, all union personnel with at least six months service will be paid for all accrued hours.

The City Manager's maximum accrual for vacation is 320 hours. Department Directors will accrue vacation leave up to a cap of 480 hours. Effective the first full pay period in July 2013, excess hours above 160 (for Department Directors) will be moved to a unique vacation bank. Upon separation, the City Manager and Department Directors shall be entitled to 100% of the unused vacation leave on the books. Effective July 2013, existing holiday hours will be moved to a unique leave bank and the City Manager and Department Directors will no longer accrue holidays, but will be paid for holidays per schedules referred to in individual contracts. Upon termination, the City Manager and Department Directors shall be entitled to be paid for the entire amount of holiday time accrued.

Police Management will accrue vacation leave up to a cap of 320 hours. Effective the first full pay period in July 2013, excess hours above 160 will be moved to a unique vacation bank. Upon separation, employee shall be entitled to 100% of the unused vacation leave on the books. Police Management shall accrue holiday hours up to the cap of 96 hours. Effective the first full pay period in July 2013, all holiday hours will be moved to a unique bank. Upon separation, employees shall be entitled to 100% of the unused holiday leave on the books.

Management employees accrue vacation and holiday leave in accordance with schedules set forth in a memorandum of understanding. Vacation accrues to a limit of 320 hours. Effective July 2013, existing holiday hours will be moved to a unique leave bank and the Management employees will no longer accrue holidays, but will be paid for holidays per schedules contained in a memorandum of understanding. All accrued vacation and holiday leave shall be paid upon termination up to a maximum of 320 hours for vacation and an unlimited amount of hours for holiday, after six months of service. The cash value of holiday hours (for Management employees) in the unique bank will remain at the employee's July 2013 pay rate.

Employees may cash out vacation/holiday time annually as follows:

<u>Hours</u>	
City Manager (vacation)	120
Department Directors (vacation)	80
Managers	80 (vacation in excess of 80)
Police Management (vacation)	80
Police (vacation)	40
Police (holiday)	88

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2013

Note 1: Organization and Summary of Significant Accounting Policies (Continued)

Floating Holiday shall be credited as 8 hours to each employee's account with the first payroll in each fiscal year for Utility employees and General employees. Utility employees' and General employees' floating holiday leave balances must be used during the fiscal year or cashed out.

Effective July 1, 2013 General employees, Utility employees, the City Manager, Department Directors and Managers will be credited one floating holiday (10 hours) with the first payroll in each fiscal year. Floating holiday leave balances must be used during the fiscal year or cashed out.

Career part-time classification employees shall accrue leave balances on a prorata basis derived from the leave rates and caps set forth in the most recent memorandum of understanding for Management employees. Career part-time employees are not eligible for cash out of any accrued hours, except upon termination.

Claims and Judgments

Both the long-term and short-term liability for claims and judgments payable are reported in an internal service fund. The short-term liability, which will be liquidated with expendable available financial resources, is the amount of settlement reached, but unpaid related to claims and judgments entered.

Long-Term Obligations

In the government-wide financial statements, and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the governmental activities, business-type activities or proprietary fund type statement of net position. Bond premiums and discounts are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

Fund Equity

In the fund financial statements, government funds report the following fund balance classification:

Nonspendable include amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact.

Restricted include amounts that are constrained on the use of resources by either (a) external creditors, grantors, contributors, or laws of regulations of other

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2013

Note 1: Organization and Summary of Significant Accounting Policies (Continued)

governments or (b) by law through constitutional provisions or enabling legislation.

Committed include amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the government's highest authority, City Council. The formal action that is required to be taken to establish, modify, or rescind a fund balance commitment is a resolution.

Emergency Contingency - City Council has determined the specific purposes for which this may be used for are local disasters, recessions or other financial hardships; to subsidize unforeseen operating or capital needs; and cash flow requirements.

Assigned include amounts that are constrained by the government's intent to be used for specific purposes, but are neither restricted nor committed. The City Manager or Deputy City Manager are authorized to assign amounts to a specific purpose, which was established by the governing body by resolution.

Unassigned include the residual amounts that have not been restricted, committed, or assigned to specific purposes.

An individual governmental fund could include nonspendable resources and amounts that are restricted. Restricted amounts are to be considered spent when an expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available then unassigned amounts are considered to have been spent when an expenditure is incurred for purposes for which amounts in any of those unrestricted fund balance classifications can be used.

e. New Accounting Pronouncements

GASB 65

The Entity implemented GASB Statement 65, Items Previously Reported as Assets and Liabilities. GASB 65, among other things, amends prior guidance with respect to the treatment of debt issuance costs. Debt issuance costs should be recognized in the period incurred rather than reported on the statement of net position as deferred charges and recognized systematically over the life of the debt. The accounting changes of this statement should be applied retroactive and therefore the Entity has reported a restatement of beginning net position for any unamortized debt issuance costs (deferred charges) previously reported on the statement of net position to conform.

II. STEWARDSHIP

Note 2: Stewardship, Compliance and Accountability

a. Budgets and Budgetary Accounting

The City Council has the responsibility for adoption of the City's budgets. Budgets are adopted for governmental funds. From the effective date of the budget, the amounts stated as proposed expenditures become appropriations to the various City departments.

CITY OF BANNING

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2013

Note 2: Stewardship, Compliance and Accountability (Continued)

The City Council may amend the budget by resolution during each fiscal year. The City Manager is authorized to transfer funds from one major expenditure category to another within the same department and fund. Any revisions that alter the total expenditures of any fund must be approved by the City Council.

All appropriations lapse at the end of the fiscal year to the extent that they have not been expended. Lease contracts entered into by the City are subject to annual review by the City Council; hence, they legally are one-year contracts with an option for renewal for another fiscal year.

Budgetary comparison is provided in the accompanying financial statements for the General Fund, Special Revenue Funds, Capital Projects Funds and Debt Service Funds, except for the State Park Bond Act Fund. Budgeted revenue and expenditure amounts shown represent the City's originally adopted legal budget adjusted for unanticipated revenues and appropriations during the course of the fiscal year. Budget amounts, as adjusted, reported for the governmental funds of the City are adopted on a basis consistent with generally accepted accounting principles (GAAP).

b. The following fund contained a deficit fund balance:

Fund	Amount
Sunset Grade Separation - Capital Project	\$ 2,286,485

III. DETAILED NOTES ON ALL FUNDS

Note 3: Cash and Investments

As of June 30, 2013, cash and investments were reported in the accompanying financial statements as follows:

Governmental activities	\$ 17,117,537
Business-type activities	73,702,283
Fiduciary funds	<u>16,141,175</u>
Total Cash and Investments	<u>\$ 106,960,995</u>

The City of Banning maintains a cash and investment pool that is available for use for all funds. Each fund type's position in the pool is reported on the combined balance sheet as cash and investments. The City has adopted an investment policy, which authorizes it to invest in various investments.

Deposits

At June 30, 2013, the carrying amount of the City's deposits was \$6,989,735, and the bank balance was \$7,431,615. The \$441,880 difference represents outstanding checks and other reconciling items.

The California Government Code requires California banks and savings and loan associations to secure a City's deposits by pledging government securities with a value of 110% of a City's deposits. California law also allows financial institutions to secure City deposits by pledging first trust deed mortgage notes having a value of 150% of a City's

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2013

Note 3: Cash and Investments (Continued)

total deposits. The City Treasurer may waive the collateral requirement for deposits that are fully insured up to \$250,000 by the FDIC. The collateral for deposits in federal and state chartered banks is held in safekeeping by an authorized Agent of Depository recognized by the State of California Department of Banking. The collateral for deposits with savings and loan associations is generally held in safekeeping by the Federal Home Loan Bank in San Francisco, California as an Agent of Depository. These securities are physically held in an undivided pool for all California public agency depositors. Under Government Code Section 53655, the placement of securities by a bank or savings and loan association with an "Agent of Depository" has the effect of perfecting the security interest in the name of the local governmental agency. Accordingly, all collateral held by California Agents of Depository are considered to be held for, and in the name of, the local governmental agency.

Investments

Under provision of the City's investment policy and in accordance with the California Government Code, the following investments are authorized:

- Securities issued or guaranteed by the U.S. Treasury or agencies of the United States Government
- Bank certificates of deposit
- Shares of savings certificates of savings and loan associations
- Mortgage backed securities
- State of California Local Agency Investment Fund

Investments Authorized by Debt Agreements

The above investments do not address investment of debt proceeds held by a bond trustee. Investments of debt proceeds held by a bond trustee are governed by provisions of the debt agreements rather than the general provisions of the California Government Code or the City's investment policy.

Investments in State Investment Pool

The City is a voluntary participant in the Local Agency Investment Fund (LAIF) that is regulated by California Government Code Section 16429 under the oversight of the Treasurer of the State of California. LAIF is overseen by the Local Agency Investment Advisory Board, which consists of five members, in accordance with State statute. The State Treasurer's Office audits the fund annually. The fair value of the position in the investment pool is the same as the value of the pool shares.

GASB Statement No. 31

The City adopted GASB Statement No. 31, *Accounting and Financial Reporting for certain investments and for External Investment Pools*, as of July 1, 1997. GASB Statement No. 31 establishes fair value standards for investments in participating interest earning investment contracts, external investment pools, equity securities, option contracts, stock warrants and stock rights that have readily determinable fair values. Accordingly, the City reports its investments at fair value in the balance sheet. All investment income, including changes in the fair value of investments, is recognized as revenue in the operating statement.

CITY OF BANNING

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2013

Note 3: Cash and Investments (Continued)

Credit Risk

The City's investment policy does not limit investments in Federal Agency Securities by ratings issued by nationally recognized statistical rating organizations. As of June 30, 2012, the City's investments in Federal Agency Securities consisted of investments in Federal Home Loan Bank Bonds, Federal Home Loan Mortgage Corporation Notes and Federal National Mortgage Corporation. At June 30, 2013, all Federal Agency Securities were rated "AA+" by Standard & Poor's. All securities were investment grade and were legal under State and City law. As of June 30, 2013, the City's investments in external investment pools are unrated.

Custodial Credit Risk

The custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover deposits or will not be able to recover collateral securities that are in the possession of an outside party. The custodial credit risk for investments is the risk that, in the event of the failure of the counterparty to a transaction, a government will not be able to recover the value of investment or collateral securities that are in the possession of an outside party.

As of June 30, 2013, none of the City's deposits or investments was exposed to custodial credit risk.

Concentration of Credit Risk

The City is in compliance with restrictions imposed by its investment policy, which limits certain types of investments. In addition, GASB 40 requires a separate disclosure if any single issuer comprised more than 5% of the total investment value. As of June 30, 2013, the City had no investments in one issuer that exceeded 5%. The investments in mutual money market funds and external investment pools are excluded from this requirement.

Interest Rate Risk

The City's investment policy limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. The City has elected to use the segmented time distribution method of disclosure for its interest rate risk.

As of June 30, 2013, the City had the following investments and maturities:

<u>Investment Type</u>	<u>Remaining Investment Maturities</u>				<u>Fair Value</u>
	<u>6 months or less</u>	<u>6 months to 1 year</u>	<u>1 to 3 years</u>	<u>More than 5 years</u>	
Federal Agency Securities	\$ -	\$ -	\$ 6,975,635	\$ 991,180	\$ 7,966,815
Local Agency Investment Fund	37,175,936	-	-	-	37,175,936

CITY OF BANNING

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2013

Note 4: Interfund Receivables, Payables and Transfers

The composition of interfund balances as of June 30, 2013, is as follows:

Due To/From Other Funds

Funds	Due To Other Funds
	Nonmajor Governmental Funds
Due From Other Funds:	
General Fund	\$ 19,300
Water Fund	1,536,400
Total	<u>\$ 1,555,700</u>

The interfund balances were the results of routine interfund transactions not cleared prior to year-end.

Advances To/From Other Funds

Funds	Advances to Other Funds
	Electric Utility
Advances from Other Funds:	
General Fund	\$ 394,118
Total	<u>\$ 394,118</u>

During previous fiscal years, the Electric Utility Fund had made loans to the General Fund. These loans bear interest at rates up to 12% per annum depending upon when the loan was initiated. The Electric Utility Fund may demand payment of all or a portion of the principal balance at any time as funds become available; however, such demands are not anticipated with the next fiscal year. As of June 30, 2013, principal owed on those loans was \$394,118.

	<u>\$ 7,078,400</u>	<u>\$ (209,307)</u>	<u>\$ 6,869,093</u>

Note 7: Loans Receivable

The City has entered into various loan agreements relating to owners participation agreements, developer loans, the first time home buyer loan program, the rehabilitation loan program, and various other loans receivable. The owners' participation agreements have repayment terms between 6 and 55 years. The following summarizes the loans outstanding at June 30, 2013:

Description	Balance at June 30, 2013
Owners participation loans	\$ 500,000
First time home buyer down payment assistance loans	460,000
Rehabilitation loans	160,606
Other loans	43,899
Total loans receivable at June 30, 2013	<u>\$ 1,164,505</u>

Note 8: Deposits with Other Agencies

On August 14, 2001, the City of Banning adopted Resolution 2001-85, approving the Utility Services Agreement between the City of Banning and the City of Riverside. Under this agreement, the City of Riverside shall provide scheduling, dispatching and other related electric utility services to the City. The implementation of this agreement required the payment of a refundable deposit by the City of Banning to the City of Riverside. The amount of deposit with the City of Riverside as of June 30, 2013, amounted to \$1,032,422.

Less:					
Unamortized original issue premium				1,606,828	
Unamortized original issue discount				(94,870)	
Net Business-Type Activities				\$ 76,857,572	

a. Compensated Absences

For governmental activities, accumulated vacation, sick leave benefits, holiday and compensatory time payable at June 30, 2013, was \$1,348,827 which includes \$198,130 recorded in the internal service funds. These amounts are payable from future resources and, therefore, have been recorded in the statement of net position. Vacation, sick leave, holiday and compensatory time are recorded as expenditures in the related funds when used. For enterprise funds, accumulated vacation, sick leave, holiday and compensatory time amounted to \$788,095.

b. 2011 Refunding Lease Agreement

On April 27, 2011, the City entered into a lease agreement for the purpose of refunding the 1997 Refunding Certificates of Participation. The lease agreement totals \$3,455,000 and is subject to an interest rate of 3.75% per annum. The lease agreement is payable on November 1 and May 1 of each year commencing November 1, 2011 through 2020 and is in connection with real property leased by the City to the funding corporate parties. At June 30, 2013, the outstanding balance on the refunding lease agreement is \$2,826,192.

CITY OF BANNING

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2013

Note 9: Long-Term Debt (Continued)

Year Ending June 30,	Principal	Interest	Total
2014	\$ 333,112	\$ 102,888	\$ 436,000
2015	345,720	90,280	436,000

Total	<u>\$ 2,826,192</u>	<u>\$ 442,063</u>	<u>\$ 3,268,255</u>

c. 2005 Water Revenue Bonds

On December 8, 2005, the Banning Utility Authority issued \$35,635,000 in Water Enterprise Revenue Bonds, Refunding and Improvement Projects. The Proceeds of these Bonds were utilized to refund and defease \$2,475,000 in 1986 Water Utility Fund Certificates of Participation and \$1,890,000 in 1989 Water Utility Fund Certificates of Participation and to provide additional funds to pay for certain capital project improvements.

As a result, the 1986 and 1989 Water Utility Fund Certificates of Participation are considered to be defeased and the liability for those bonds has been removed from long-term debt. The advance refunding resulted in a decrease in the Authority's debt service payments over the next 14 years of approximately \$1,050,648. The economic gain (difference between the present values of the debt service payments on the old and new debt) amounts to approximately \$686,786.

The bonds consist of serial bonds maturing in the years 2006 to 2020 are payable November 1 in annual installments of \$620,000 to \$1,025,000. The bonds bear interest at 3.25% to 4.5%. Bonds maturing after November 1, 2020, in the amount of \$23,585,000 are term bonds and bear interest at 5.25%. At June 30, 2013, the outstanding balance on the refunding lease agreement is \$30,740,000. The total debt service payment requirements with respect to the above bonds are as follows:

Year Ending June 30,	Principal	Interest	Total
2014	\$ 770,000	\$ 1,521,138	\$ 2,291,138
2015	805,000	1,487,625	2,292,625
2016	840,000	1,451,675	2,291,675
2017	875,000	1,416,338	2,291,338
2018	910,000	1,380,638	2,290,638
2019 - 2023	6,360,000	7,339,700	13,699,700
2024 - 2028	6,940,000	4,423,650	11,363,650
2029 - 2033	8,960,000	2,347,275	11,307,275
2034 - 2036	4,280,000	227,588	4,507,588
Totals	<u>\$ 30,740,000</u>	<u>\$ 21,595,627</u>	<u>\$ 52,335,627</u>

CITY OF BANNING

JUNE 30, 2013

Note 9: Long-Term Debt (Continued)

d. 2005 Wastewater Revenue Bonds

On December 8, 2005, the Banning Utility Authority issued \$7,100,000 in Wastewater Enterprise Revenue Bonds, Refunding and improvement projects. The Proceeds of these Bonds were utilized to refund and defease \$1,895,000 in 1989 Wastewater Utility Fund Certificates of Participation and to provide additional funds to pay for certain capital project improvements.

As a result, the 1989 Wastewater Utility Fund Certificates of Participation are considered to be defeased and the liability for those bonds has been removed from long-term debt. The advance refunding resulted in a decrease in the Authority's debt service payments over the next 14 years of approximately \$1,550,638. The economic loss (difference between the present values of the debt service payments on the old and new debt) amounts to approximately \$404,306.

The bonds consist of serial bonds maturing in the years 2006 to 2020 are payable November 1 in annual installments of \$135,000 to \$265,000. The bonds bear interest at 3.25% to 4.5%. Bonds maturing between November 1, 2021 and November 1, 2025, in the amount of \$1,100,000 are term bonds and bear interest at 4.5%. Bonds maturing between November 1, 2026 and November 1, 2035, in the amount of \$3,105,000 are term bonds and bear interest at 4.625%. The outstanding principal balance at June 30, 2013, amounted to \$5,560,000.

The total debt service payment requirements with respect to the above bonds are as follows:

Year Ending June 30,	Principal	Interest	Total
2014	\$ 145,000	\$ 245,248	\$ 390,248
2015	155,000	239,395	394,395
2016	160,000	233,094	393,094
2017	165,000	226,430	391,430
2018	170,000	219,606	389,606
2019 - 2023	1,190,000	1,152,281	2,342,281
2024 - 2028	1,260,000	685,756	1,945,756
2029 - 2033	1,580,000	359,131	1,939,131
2034 - 2036	735,000	34,341	769,341
Total	<u>\$ 5,560,000</u>	<u>\$ 3,395,282</u>	<u>\$ 8,955,282</u>

e. Loan Payable - California Water Resource Control Board

On March 17, 1999, the City entered into a loan contract with the California Water Resource Control Board (Board). The loan was to provide the City with assistance for the Wastewater treatment facility upgrade project. The loan amount was \$4,658,883 and is subject to an interest rate of 2.6% per annum. The loan is to be repaid within 20 years through 20 equal annual installments of principal and interest. The outstanding loan balance at June 30, 2013, was \$2,172,519. The loan is recorded in the BUA Wastewater Utility Enterprise Fund.

f. 2007 Electric Revenue Bond

In July 2007, the City of Banning Financing Authority issued \$45,790,000 in Revenue Bonds (Electric System Project) Series 2007. The proceeds of these bonds will be used to finance certain improvements to the electric system of the City of Banning. The bonds consist of serial bonds maturing in the years 2009 through 2029 and are payable June 1 in annual installments from \$725,000 through \$1,815,000. The bonds bear interest at 4.0% to 5.0%. The bonds also consist of term bonds maturing in the years 2025 through 2038 and are payable June 1 ranging in amounts between \$3,240,000 through \$15,025,000 and bearing interest between 4.5% to 5.0%.

In June 2010, the City bought back \$5,775,000 of the outstanding debt of the 2007 Electric Revenue Bonds and the liability for those bonds has been removed from long-term debt. This resulted in an economic gain of \$84,584 which will be amortized over the remaining life of the bond.

The outstanding balance at June 30, 2013, amounted to \$36,085,000. The total debt service payment requirements with respect to the above bonds are as follows:

Year Ending June 30,	Principal	Interest	Total
2014	\$ 880,000	\$ 1,787,638	\$ 2,667,638
2015	935,000	1,737,038	2,672,038
2016	970,000	1,697,300	2,667,300
2017	1,020,000	1,648,800	2,668,800
2018	1,070,000	1,597,800	2,667,800

Note 10: Assessment District and Community Facilities District Bonds (Continued)

secured by liens against the assessed properties. The City acts as an agent for collection of principal and interest payments by the property owners and remittance of such monies to the bondholders. Neither the faith and credit, nor the taxing power, of the City of Banning or the Agency has been pledged to the payment of the bonds. Therefore, none of the following special assessment bonds are shown in the financial statements of the City.

	<u>Amount of Issue</u>	<u>Outstanding June 30, 2013</u>
AD 2004-1	\$ 2,898,000	\$ 2,520,000

Note 11: Operating Lease

In December 2005, the Banning Utility Authority entered into an operating lease with the City for the use of the City's water and wastewater systems. The lease agreement states that an initial payment of \$17,000,000 be paid to the City, with additional annual installments equal to the total surplus revenues and other funds pledged. The lease agreement is for a term of 55 years and the amount paid to the City over that time cannot exceed the fair value of the water and wastewater systems. In 2005-2006, the Banning Utility Authority paid the City the initial payment of \$17,000,000. The Banning Utility Authority made a payment of \$651,000 during the fiscal year ending June 30, 2013.

Note 12: City Employees Retirement Plan (Defined Benefit Pension Plan)

a. PERS

Miscellaneous Plan

Plan Description

The City of Banning contributes to the California Public Employees Retirement System (PERS), an agent multiple-employer public employee defined benefit pension plan. PERS provides retirement and disability benefits, annual cost-of-living adjustments and death benefits to plan members and beneficiaries. PERS acts as a common investment and administrative agent for participating public entities within the State of California.

Funding Policy

Participants are required to contribute 9% of their annual covered salary and the City does not contribute towards the employees' share. The City is also required to contribute at an actuarially determined rate calculated as a percentage of covered payroll. The employer contribution rate for the year ended June 30, 2013, was 17.452% for miscellaneous employees. Benefit provisions and all other requirements are established by state statute and City contract with employee bargaining groups.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2013
Note 12: City Employees Retirement Plan (Defined Benefit Pension Plan) (Continued)
Annual Pension Cost and Funding Progress

For the year ended June 30, 2013, the City's annual pension cost (employer contribution) of \$1,226,999 for miscellaneous employees was equal to the City's required and actual contributions. The required contribution was determined as part of the June 30, 2011, actuarial valuation using the entry age normal actuarial cost method.

Three-Year Trend Information for PERS - Miscellaneous Plan

<u>Fiscal Year</u>	<u>Annual Pension Cost (APC)*</u>	<u>Percentage of APC Contributed</u>	<u>Net Pension Obligations</u>
6/30/2011	\$ 808,988	100%	\$ -
6/30/2012	1,107,308	100%	-
6/30/2013	1,226,999	100%	-

* Employer contribution

The summary of principal assumptions and methods used to determine the ARC is shown below:

Valuation date:	June 30, 2011
Actuarial Cost Method:	Entry Age Normal Cost Method
Amortized Method:	Level Percent of Payroll
Average Remaining Period:	28 Years as the of the valuation date
Asset Valuation Method:	15 Year Smoothed Market
Actuarial Assumptions:	
Investment Rate of Return:	7.50% (net of administrative expenses)
Projected Salary Increases:	3.30% to 14.20% depending on Age, Service, and type of employment
Inflation	2.75%
Payroll Growth:	3.00%
Individual Salary Growth:	A merit scale varying by duration of employment coupled with an assumed annual inflation growth of 2.75% and an annual production growth of 0.25%

Initial unfunded liabilities are amortized over a closed period that depends on the plan's date of entry into CalPERS. Subsequent plan amendments are amortized as a level percentage of pay over a closed 20-year period. Gains and losses that occur in the operation of the plan are amortized over a 30 year rolling period, which results in an amortization of about 6% of unamortized gains and losses each year. If the plan's accrued liability exceeds the actuarial value of plan assets, then the amortization payment on the total unfunded liability may not be lower than the payment calculated over a 30 year amortization period.

Safety Plan

Plan Description

The City of Banning contributes to the California Public Employees Retirement System (PERS), a cost-sharing multiple-employer defined benefit pension plan. PERS provides retirement and disability benefits, annual cost-of-living adjustments and death benefits to plan members and beneficiaries. PERS acts as a common investment and administrative agent for participating public entities within the State of California. Benefit provisions and all other requirements are established by State statute and City ordinance.

Funding Policy

Police management participants are required to contribute 4.5% of their annual covered salary and the City contributes 4.5% towards the employees' share per MOU agreements. Subsequent to the year end, effective July 7, 2013, Police management participants will be required to contribute 9% and the City will not contribute towards their share. Non-management police participants are required to contribute 9% of their annual covered salary and the City does not contribute towards the employees' share. The City is required to contribute at an actuarially determined rate calculated as a percentage of covered payroll. The employer contribution rate for the year ended June 30, 2013, was 38.783% for safety employees. Benefit provisions and all other requirements are established by State statute and City contract with employee bargaining groups.

Annual Pension Cost

For the year ended June 30, 2013, the City's annual pension cost (employer contribution) of \$942,606 for safety employees was equal to the City's required and actual contributions. The required contribution was determined as part of the June 30, 2011, actuarial valuation using the entry age normal actuarial cost method.

b. PARS**Plan Description**

Effective July 2005, the City began participating in a Public Agency Retirement System (PARS) program, which is a defined contribution retirement plan for part-time, seasonal and temporary employees. A defined contribution retirement plan provides retirement benefits in return for services rendered, provides an individual account for each participant, and specifies how contributions to the individual's account are to be determined instead of specifying the amount of benefits the individual is to receive.

As established by the plan, all eligible employees of the City will become participants in the plan from the date they are hired. An eligible employee is any employee who, at any time during which the employer maintains this plan, is not accruing benefits under the Public Employees Retirement System.

Funding Plan

Contributions made to the plan vest immediately. As determined by the plan, all members must contribute 7.5% of their gross earnings to the plan. The City is not required to contribute.

Annual Contributions

The amount of employee contributions was \$7,958 (7.5% of covered payroll). Total payroll for employees covered under this plan for the year was \$106,114.

Note 13: Deferred Compensation Plan

The City offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The plan, available to all City employees, permits them to defer a portion of their salary until future years. The deferred compensation is not available to employees until termination, retirement, death or unforeseeable emergency. All amounts of compensation deferred under the plan, all property and rights purchased with those amounts, and all income attributable to those amounts, property or rights are solely the property and rights of the employee. Participants' rights under the plan are equal to an amount equal to the fair market of the deferred account for each participant.

The City has no liability for losses under the plan.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2013

Note 14: Insurance Programs

The City maintains self-insurance programs for workers' compensation, general liability and wrongful employment practices. For general liability claims, the City is at risk for up to \$50,000 per occurrence; amounts in excess of \$50,000 up to \$50,000,000 are covered through the Public Entity Risk Management Authority (PERMA) and excess insurance. For workers' compensation claims, the City is at risk for up to \$250,000 per occurrence. Losses exceeding \$250,000 up to statutory limits are covered by the PERMA under their risk-sharing pool program and excess insurance. For wrongful employment practices claims, the City is at risk for up to \$25,000 per occurrence; amounts in excess of \$25,000 up to \$1,000,000 are covered through the Employment Risk Management Authority. Estimates for all liabilities, including an estimate for incurred but not reported claims (IBNR's), have been included in the Self-Insurance Internal Service Fund.

PERMA also provides a non-risk sharing "deductible" or claims-servicing pool for general liability claims within the self-insured retention (SIR) level (\$50,000). Annual contributions are deposited with the Authority from which claims are paid on behalf of the City. Any claims paid by PERMA for the City in excess of deposits at year-end are recorded as "Due to Other Agencies" within the Self-Insurance Internal Service Fund.

In addition, the City makes deposits with PERMA for workers' compensation claims below the \$250,000 SIR from which claims are paid on behalf of the City.

Claims expenditures and liabilities are reported when it is probable that a loss has occurred and the amount of that loss can be reasonably estimated. These losses include an estimate of claims that have been incurred but not reported. At June 30, 2013, the amount of these liabilities was \$919,981. The amount represents an estimate of \$912,919 for reported claims through June 30, 2013, and \$7,063 of estimate incurred but not reported claims. This liability is the City's best estimate based on available information. There are no significant reductions in insurance coverages from prior years and, also, there have been no settlements exceeding the insurance coverages for each of the past three fiscal years.

Changes in the reported liability since June 30, 2013, resulted from the following:

<u>Year</u>	<u>Liability at Beginning of Fiscal Year</u>	<u>Current Year Claims and Changes in Estimates</u>	<u>Claim Payments</u>	<u>Liability at End of Fiscal Year</u>
2012	\$ 926,590	\$ 560,020	\$ 569,190	\$ 917,420
2013	917,420	283,492	280,930	919,982

The City of Banning is a member of the Public Entity Risk Management Authority (a joint powers authority of 22 California cities, one Transit Agency and one other special district) which was established to pool resources, share risks, purchase excess insurance and share costs for professional risk management and claims administration. The City continues to carry commercial insurance for all other risks of loss.

Note 15: Commitments and Contingencies

The City participates in certain federal and state assisted grant programs. These programs are subject to program compliance audits by the grantors or their representatives. Any liability for reimbursement that may arise as the result of these audits is not believed to be material.

CITY OF BANNING

NOTES TO FINANCIAL STATEMENTS (CONTINUED) JUNE 30, 2013

Note 15: Commitments and Contingencies (Continued)

The City is involved in several pending lawsuits of a nature common to many similar jurisdictions. City management estimates that potential claims against the City, not covered by insurance, will not have a material adverse effect on the financial statements of the City.

Proposition 218, which was approved by the voters in November 1996, regulates the City's ability to impose, increase and extend taxes, assessments and fees. Any new, increased or extended taxes, assessments and fees subject to the provisions of Proposition 218 require voter approval before they can be implemented. Additionally, Proposition 218 provides that these taxes, assessments and fees are subject to the voter initiative process and may be rescinded in the future by the voters. Therefore, the City's ability to finance the services for which the taxes, assessments and fees were imposed may be significantly impaired. At this time, it is uncertain how Proposition 218 will affect the City's ability to maintain or increase the revenue it receives from taxes, assessments and fees.

The City has entered into a joint venture agreement with nine other public entities for the purpose of planning, financing, developing, acquiring, constructing, operating and maintaining projects for the generation or transmission of electric energy. The Board of Directors of the Southern California Public Power Authority (SCPPA) consists of one member from each participating agency.

The City has entered into a Power Sales Contract with SCPPA. The City is a 1% participant in SCPPA and, therefore, under the contract, has a binding obligation to purchase 1% of the net energy generation of the project. The contract expires October 31, 2030. The City is obligated to pay for the power from the revenues of its electric system and cannot be offset or reduced if the project is not operating or if its output has been suspended (take or pay basis).

The revenue generated by SCPPA from each participant will be used to service the debt on the Power Project Revenue Bonds issued by SCPPA in the amount of \$2,173,447,000. The City's portion of the outstanding debt of SCPPA as of June 30, 2013, (the most recent data available), was \$12,818,268.

The following audited financial data is presented as of and for the year ended June 30, 2013:

	Amounts (in thousands)
Total Assets	\$ 3,534
Total Liabilities	3,597
Total Net Assets	<u>\$ (63)</u>
Beginning Net Assets	\$ (129)
Total Revenues (including investment)	715
Total Expenses (including debt and loss on refunding)	(665)
Net Contributions (Withdrawals) by Participants	16
Ending Net Assets	<u>\$ (63)</u>

Separate audited financial statements for SCPPA are available from SCPPA.

Note 17: Successor Agency Trust For Assets of Former Redevelopment Agency

On December 29, 2011, the California Supreme Court upheld Assembly Bill 1X 26 ("the Bill") that provides for the dissolution of all redevelopment agencies in the State of California. This action impacted the reporting entity of the City of Banning that previously had reported a redevelopment agency within the reporting entity of the City as a blended component unit.

The Bill provides that upon dissolution of a redevelopment agency, either the city or another unit of local government will agree to serve as the "successor agency" to hold the assets until they are distributed to other units of state and local government. On January 24, 2012, the City Council elected to become the Successor Agency for the former redevelopment agency in accordance with the Bill as part of City resolution number 2012-01.

After enactment of the law, which occurred on June 28, 2011, redevelopment agencies in the State of California cannot enter into new projects, obligations or commitments. Subject to the control of a newly established oversight board, remaining assets can only be used to pay enforceable obligations in existence at the date of dissolution (including the completion of any unfinished projects that were subject to legally enforceable contractual commitments).

In future fiscal years, successor agencies will only be allocated revenue in the amount that is necessary to pay the estimated annual installment payments on enforceable obligations of the former redevelopment agency until all enforceable obligations of the prior redevelopment agency have been paid in full and all assets have been liquidated.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2013

Note 17: Successor Agency Trust For Assets of Former Redevelopment Agency (Continued)

The Bill directs the State Controller of the State of California to review the propriety of any transfers of assets between redevelopment agencies and other public bodies that occurred after January 1, 2011. If the public body that received such transfers is not contractually committed to a third party for the expenditure or encumbrance of those assets, the State Controller is required to order the available assets to be transferred to the public body designated as the successor agency by the Bill.

Management believes, in consultation with legal counsel, that the obligations of the former redevelopment agency due to the City are valid enforceable obligations payable by the successor agency trust under the requirements of the Bill. The City's position on this issue is not a position of settled law and there is considerable legal uncertainty regarding this issue. It is reasonably possible that a legal determination may be made at a later date by an appropriate judicial authority that would resolve this issue unfavorably to the City.

In accordance with the timeline set forth in the Bill (as modified by the California Supreme Court on December 29, 2011) all redevelopment agencies in the State of California were dissolved and ceased to operate as a legal entity as of February 1, 2012.

a. Cash and investments

Cash and investments reported in the accompanying financial statements consisted of the following:

Cash and investments pooled with the City	\$ 4,411,821
Cash and investments with fiscal agent	<u>11,195,415</u>
	<u><u>\$ 15,607,236</u></u>

b. Loans Receivable

The former redevelopment agency had entered into various loan agreements relating to owners participation agreements and various other loans receivable. The owners participation agreements have repayment terms between 6 and 55 years. The following summarizes the loans outstanding at June 30, 2013:

Description	Balance at June 30, 2013
Owners participation loans	\$ 5,177,888
Disposition and development agreements	<u>1,020,000</u>
Total loans receivable at June 30, 2013	<u><u>\$ 6,197,888</u></u>

During the Fiscal Year ending June 30, 2013, \$1,204,591 worth of rehabilitation and owner participation agreement loans were forgiven. These forgiven loans are reported as forgiven loan expense on the Statement of Changes in Fiduciary Net Position.

e. 2003 Tax Allocation Bonds

On December 16, 2003, the Banning Public Financing Authority issued \$14,095,000 in Tax Allocation Bonds. The proceeds were used to currently refund the Agency's \$4,130,000 Series 1992 Tax Allocation Bonds and to finance various redevelopment activities.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2013
Note 17: Successor Agency Trust For Assets of Former Redevelopment Agency (Continued)

The bonds consist of serial bonds maturing in the years 2004 to 2018 payable August 1 in annual installments of \$360,000 to \$570,000. The bonds bear interest at 2.0% to 5.0%. Bonds maturing after August 1, 2018, in the amount of \$7,485,000 are term bonds and bear interest at 5.0%.

Serial bonds maturing on or after August 1, 2014, are subject to redemption in whole or in part at the option of the Agency from any available source of funds. Term bonds maturing on August 1, 2023 and 2028, are subject to mandatory redemption in part by lot from sinking fund payments made by the Agency.

A reserve fund was established in the amount of \$971,763 from the bond proceeds for the benefit of the City and as security for the Bond owners. The bonds are further secured by a financial guarantee insurance policy. The bonds are a special obligation of the Banning Redevelopment Agency payable from tax revenues. The amount of bonds outstanding at June 30, 2013, totaled \$10,560,000.

Year Ending June 30,	Principal	Interest	Total
2014	\$ 460,000	\$ 497,995	\$ 957,995
2015	480,000	478,895	958,895

2017	520,000	436,370	956,370
2018	545,000	412,733	957,733
2019 - 2023	3,135,000	1,635,735	4,770,735
2024 - 2028	3,995,000	749,875	4,744,875
2029 - 2033	925,000	23,125	948,125
Total	<u>\$ 10,560,000</u>	<u>\$ 4,693,098</u>	<u>\$ 15,253,098</u>

g. 2007 Tax Allocation Bonds

On May 15, 2007, the Banning Public Financing Authority issued \$29,965,000 in Tax Allocation Bonds. The proceeds were used to provide funds for the redevelopment activities of the Agency, to fund a reserve fund for the Bonds and pay the expenses of the Agency in connection with the issuance of the Bonds.

The bonds consist of serial bonds maturing in the years 2009 to 2030 payable August 1 in annual installments of \$245,000 to \$1,805,000. The bonds bear interest at 4.0% to 4.25%. Bonds maturing after August 1, 2030, in the amount of \$9,500,000 are term bonds and bear interest at 4.375%. Serial bonds maturing on or after August 1, 2014, are subject to redemption prior to maturity, in whole or in part at the option of the Agency from any available source of funds. Term bonds maturing on August 1, 2037, are subject to mandatory redemption in part or by lot from sinking fund payments made by the Agency. The amount of bonds outstanding at June 30, 2013, totaled \$28,280,000.

h. Loan Payable – Glick

On August 27, 2008, the Agency entered into a promissory note. The note amount was \$200,000 and is subject to an interest rate of 6.5% per annum. The note is payable in fifteen annual installments of \$20,531. The principal amount of this note represents the agreed-upon amount for the purchase of real property. At June 30, 2013, the outstanding balance on the note payable is \$147,592.

Year Ending June 30,	Principal	Interest	Total
2014	\$ 10,937	\$ 9,593	\$ 20,530
2015	11,648	8,883	20,531

Total	<u>\$ 147,592</u>	<u>\$ 57,715</u>	<u>\$ 205,307</u>

i. Loan Payable – DeZorzi

On July 29, 2009, the Agency purchased real property for \$1,253,393 located at 2301 W. Ramsey Street (APN 538-162-016-6) to provide public benefit in the future with private development. In order to finance the purchase, the Agency entered into a promissory note for the amount of \$1,020,000. The note is subject to a 6% interest rate and payable monthly in amounts of \$7,308 for seven years with the remaining balance to be paid off at the end of year seven. At June 30, 2013, the outstanding balance on the note payable is \$903,309.

CITY OF BANNING

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2013

Note 17: Successor Agency Trust For Assets of Former Redevelopment Agency (Continued)

Year Ending June 30,	Principal	Interest	Total
2014	\$ 34,410	\$ 57,751	\$ 92,161
2015	36,532	51,159	87,691
2016	38,649	49,041	87,690
2017	793,718	4,045	797,763
Total	<u>\$ 903,309</u>	<u>\$ 161,996</u>	<u>\$ 1,065,305</u>

j. City Loans

During the fiscal year 1993-1994 the City of Banning's Electric Utility Fund advanced funds to the Agency in order to assist in the implementation of the Owner Participation Agreement with Colescott, Inc. for the development of the Sunset Auto Plaza. The loan agreement is subject to a 5% interest rate and payable in 20 years. As of June 30, 2013, the outstanding balance is \$19,473.

The following schedule illustrates the debt service requirements to maturity for the City Loans outstanding as of June 30, 2013:

	City Loans		Total
	Principal	Interest	
2013-2014	<u>\$ 19,473</u>	<u>\$ 141</u>	<u>\$ 19,614</u>

k. Supplement Education Augmentation Fund (SERAF) Loan

The advance for \$2,298,433 from the Low and Moderate Income Housing Fund to the Redevelopment Agency Debt Service Fund was made to fund the mandated payment for the "Supplemental" Educational Revenue Augmentation Fund.

l. Pledged Revenue

The City pledged, as security for bonds issued, either directly or through the Financing Authority, a portion of tax increment revenue (including Low and Moderate Income Housing set-aside and pass through allocations) that it receives. The bonds issued were to provide financing for various capital projects, accomplish Low and Moderate Income Housing projects and to defease previously issued bonds. Assembly Bill 1X 26 provided that upon dissolution of the Redevelopment Agency, property taxes allocated to redevelopment agencies no longer are deemed tax increment but rather property tax revenues and will be allocated first to successor agencies to make payments on the indebtedness incurred by the dissolved redevelopment agency. Total principal and interest remaining on the debt is \$60,641,859 with annual debt service requirements as indicated above. For the current year, the total property tax revenue recognized by the Successor Agency for the payment of indebtedness incurred by the dissolved redevelopment agency was \$3,309,848 and the debt service obligation on the bonds was \$2,717,211.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2013

Note 17: Successor Agency Trust For Assets of Former Redevelopment Agency (Continued)

m. Insurance

The Successor Agency is covered under the City of Banning's insurance policies. Therefore, the limitation and self-insured retentions applicable to the City also apply to the Successor Agency. Additional information as to coverage and self-insured retentions can be found in Note 14.

n. Commitments and Contingencies

At June 30, 2013, the Successor Agency was involved as a defendant in several lawsuits arising out of the ordinary conduct of its affairs. It is the opinion of management that settlements of these lawsuits, including losses for claims that are incurred but not reported, if any, will not have a material effect on the financial position of the Successor Agency.
