I understand and agree that the choice of improvements, the selection of dealers, the purchase of items, and acceptance of materials used and worked performed, and payment thereof, is my responsibility. I understand that the City of Banning Electric Utility does not endorse, recommend or make any representations as to brands, products or dealers, nor does it guarantee material or workmanship. I also agree to allow The City of Banning Public Utilities to access my premises for verification purposes. Rebates of \$500.00 or less will be applied to the customer's electric account.

- Qualified Products Rebate

### Program Description:

This program provides monetary incentives for the purchase of qualified new high efficiency products that use less electricity during hot summer months. These products will help promote alternative methods of cooling in an effort to reduce electric consumption, curtail Air Conditioner usage and prevent summer Flex Alerts.

### Incentive Table for Purchase of Energy Star Rated Products

Table-1

Eligible Products	Look for Energy Star Rated Appliances	Rebate Amount Effective June 1, 2022
· Whole House Fan (all models)		\$300
· Room Air Conditioner (Energy Star rated)		\$100
· Evaporative Cooler (non-portable units only)		\$200
· Ceiling Fan (limit 4)		\$50 each (limit 4)
· Pool Pump Motors (Variable Speed)		\$400 each
· Box Fan (limit 4)		\$15 each (limit 4)

### Program Guidelines:

- This program is available to the City of Banning residential electric customers.
- There is a cap of \$500 per customer account per calendar year for items in Table -1
- Products specified must be ENERGY STAR rated (see guidelines per product).
- Following the purchase and installation of the new qualified product, complete and return the application to: **City of Banning, Public Benefits Department, 176 E. Lincoln Street, Banning, CA 92220** or Email to [PublicBenefits@banningca.gov](mailto:PublicBenefits@banningca.gov)
- A copy of the dated **sales receipt** containing product description, make and model of the purchase, and a copy of the **yellow EnergyGuide tag**, must be attached to the application. If the yellow energy guide tag is not available, sufficient documentation must be provided to prove Energy Star compliance.
- The application and supporting documentation must be submitted within 180 days of purchasing the product in order to qualify for a rebate.
- Rebates will be given to all qualified applicants submitting proper paperwork.
- Rebates will be paid to the electric customer of record only. The name on the invoice must match the name on the electric customer account.
- Rebates will be issued within **6 to 8 weeks** after verification of submitted paperwork.
- Rebates of \$500.00 or less will be applied to the customer's electric account.
- Program will continue provided funds are available.
