- Residential Ultra Low-Flush Toilet

**Program Description:**

The Ultra Low-Flush Toilet Rebate is a water conservation incentive program that offers residential water customers the opportunity to replace their existing high water use toilet fixtures with water saving Ultra Low-Flush Toilets (ULFT).

**Program Guidelines:**

- This program is available to the City of Banning residential water customers.
- Rebates are provided for each Ultra Low-Flush Toilet installed that uses **1.6 gallons** of water or less per flush. There is a limit of **two** toilets per account.
- The level incentive is **\$30** per qualified toilet **Effective July 1, 2013**. Rebate amount cannot exceed the purchase price of the new unit.
- Qualified units must be replacing units using higher volume of water per flush.
- Following the purchase and installation of the new qualified ENERGY STAR rated product, complete and return the application to: **City of Banning, Public Benefits Department, 176 E. Lincoln Street, Banning, CA 92220** or Email: [PublicBenefits@banningca.gov](mailto:PublicBenefits@banningca.gov)
- The application and a copy of the dated sales receipt must be submitted within 180 days of purchasing the product in order to qualify for a rebate.
- Please provide proof of Manufacturer, Model No, and gallons per flush with the application.
- Toilets must be installed before rebate is issued.
- Rebates will be paid to the City of Banning residential water customer of record only. The name on the receipt must match the name on the water customer account.
- All customers participating in this program are subject to a visual on-site installation inspection, which will be conducted within 24 months after the application has been processed. Disparities discovered during the home audit may result in a rebate reversal.
- Residences built or bathrooms remodeled since 1994 are not eligible for participation.
- Rebates will be given to all qualified applicants submitting proper paperwork.
- Rebates will be issued within 6 to 8 weeks after verification of submitted paperwork.
- Program will continue provided funds are available.
